

Campership Application Form

Dear Campers and Families,

The ability to afford activities like camping can often create financial strains on families. With this in mind, Camp Caglewood is excited to offer a Campership Program which grants financial assistance to qualifying campers. This gift is based on available funds, and results from the ongoing generosity of many of our donors, who are dedicated to our camp's mission.

Camperships are provided based on need; therefore we would like to ask that you carefully consider your family's need before completing the Campership Application. Please keep in mind that our funds are limited, and that several of the families we serve require financial assistance. In order to help insure that as many campers as possible have the opportunity to experience Camp Caglewood, we ask that you limit your request to only what is truly essential to cover the cost of our camping trips.

Please review and carefully fill out the subsequent application form to request Campership funds. In order to insure quick processing, make sure that you have submitted all of the following items:

1. Completed Camper Application
2. Completed Campership Application
3. Copy of most recent tax return or other proof of income

We are unable to process your Campership Application until we have received all three of the items above, so please make every effort possible to submit them in a timely manner. If you choose, you may also include a letter to provide the details of your personal situation. It is our goal to process completed applications in a timely manner, so as we receive and manage applications, we will notify you of the amount awarded as soon as possible.

We look forward to seeing you at camp this year!

Sincerely,

Paul Freeman
Cofounder of Camp Caglewood
